INTERDEPARTMENTAL COMMUNICATION

To: Planning Board

Date: May 9, 2008

From: Kim DelNigro, Secretary for Planning & Engineering 

Subject: Barbara's Way – Dakota Drive Decision 08-03

Attached is an email from Sue Sullivan regarding the road width.

Mr. Bartl has given his recommendation for a 12-foot wide roadway width. It was not included into the Decision 08-03 because staff thought the revised plan was already at the reduced width (down from 16').

Thank you.

Kim DelNigro

Subject: Barbara's Way- Dakota Drive decision 08-03

Hi,

I'm in the process of making the final plan revisions have reviewed the decision for the Dakota Drive. I thought that at the last hearing with the Board, the Board concurred with Roland's recommendation to make the road narrower, more like a driveway. (12' width, I think). I didn't see this mentioned in the decision and would like to confirm whether this was an omission or if the Board decided otherwise.

Please let me know ASAP as the closing on the property is scheduled for next week and I am trying to get the revised plans to Planning and Engineering.

Thanks,
Sue Sullivan
